Progress Reporting Exchange of Ideas TRR 360

Meeting with Mentor

Ph D Student: _____

Project: _____

Mentor 1: _____

Mentor 2: _____

As a guideline please find a list of issues which should be discussed and enter the report:

(1) Experimental and/or Theoretical Work in the Project

(2) Lectures and Focus Lectures attended by the Ph D student

(3) Oral Presentations in TRR 360 meetings, TRR 360 seminars, etc.

(4) Publications

(5) International Workshops, Conferences, etc. attended by the Ph D student (invited or contributed talks, posters)

(6) Soft Skill Courses

(7) Secondments

The report should include both a Progress Report considering the issues listed above and statements on future plans, i.e., short- and long-term goals, the further research program, (focus) lectures to be attended in the future, etc.

Separately written progress reports, print-outs of most relevant data sets, publication list, etc might be attached to this report.
